Greenfields

Words & Music by Terry Gilkyson, Richard Dehr & Frank Miller

Arr.: Charly & Bernard 2017

Once there were green fields
Green fields are gone now
kissed by the sun
p cresc.

Gone from the valleys where rivers used to run

Once there were blue skies with white clouds high above
Gone with the cold wind that swept in through to my heart

once they were parts of an everlasting love

gone with the lovers who let their dreams depart

We were the lovers who strolled through green fields roam

where are the green fields that we used to

I'll never know what made you run away how can I keep searching when
dark cloudshide the day Ooh Ooh

T.  "Solo unis"

No-thing in this wild world left for me to see But I'll keep on wai-ting

T.  "Solo unis"

Til you re-turn I'll keep on wai-ting un-ti-l the day you learn,
you can't be happy when your heart's on a roam, you can't be happy un-
